

NOTICE TO ALL CONCERNED

SUBJECT: CASE NO. 12-AAL-12NR

**PROPOSED DECOMMISSIONING
Runway 01 LOC/DME
Bettles, AK**

The Federal Aviation Administration (FAA) is conducting an aeronautical study of a proposal to decommission the Bettles, AK, Runway 01 Localizer/Distance Measuring Equipment (LOC/DME).

The FAA proposes to decommission and remove the LOC/DME and associated hardware infrastructure in order to defray the cost of replacement. Ancillary to decommissioning and removal of the LOC/DME, the Bettles Airport LOC/DME approach would be cancelled. There will be no reclassification of existing airspace and the current Federal Airways will not be affected. The intent of this notice is to inform the flying public of the proposal to decommission and remove the BTT LOC/DME and provide an opportunity to comment.

DATES: Comments must be received on or before April 3, 2013.

OPPORTUNITY TO COMMENT: Interested parties are invited to participate in this proposal by submitting such written data, views, or arguments as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned decisions on the proposal. Comments are specifically invited on the overall aeronautical, economic, environmental, and energy-related aspects of the proposal. Communications should identify the airspace docket and be submitted to the address listed below. Responders wishing the FAA to acknowledge receipt of their comments on this notice must submit with the comments a self-addressed, stamped postcard on which the following statement is made: "Comments to Airspace Docket No. 12-AAL-12NR." All communications received on or before the specified closing date for comments will be considered before taking action on the proposal. The proposal contained in this notice may be changed in light of comments received. Send comments on the proposal to: Manager, Operations Support Group, Western Service Center, Federal Aviation Administration, Docket No. 12-AAL-12NR, 1601 Lind Avenue SW, Renton WA 98057, or via e-mail to: 7-ANM-OSG-Public-Notice-Inbox@FAA.GOV
