***I HEREBY MAKE THE FOLLOWING BENEFICIARY CHANGE IN MY AOPA Aviation AD&D INSURANCE CERTIFICATE:***

A Class 1, 2, 3, etc., determines the order in which beneficiaries become eligible to receive death proceeds. Surviving beneficiaries in any class share equally unless otherwise specified. "Children" used without modification, include only lawful bodily issue of first generation and legally adopted persons. Right is reserved to revoke and change any beneficiary not designated Irrevocable.

Name beneficiaries by class, 1, 2, 3, etc., in order of their eligiblity to receive payment. For example, class 2 beneficiaries collect only if class 1 beneficiaries have died. Any beneficiaries to share funds would need the same class number.
