President, AOPA

*Phil,*

Dear ~~Mr.~~ Boyer:

I wish to take this opportunity to thank you for your leadership you have taken since the September 11th attacks. During the last year aviation in this country has absorbed many set backs. Under your strong leadership in the AOPA, and the work of the House Transportation Committee, we have been able to eliminate temporary flight restrictions and restore general aviation operations.

What you do is so important to all Americans. Thank you for your strong leadership during these trying times. I look forward to working with you on the House Transportation Committee and through the AOPA for many years to come.

Sincerely, *Warm Regards.*

Leonard L. Boswell  
Member of Congress
