Medical Evacuation to Choice of Hospital: Medical Evacuation to Choice of Hospital: If You are hospitalized due to sudden illness or injury while traveling 50 miles or more from Your Permanent Primary Residence, and the remaining hospital stay can be continued at a hospital of Your Choice, the following will apply:

1) If You are unable to travel by commercial airline with or without a medical escort:

MedFlight Freedom will make arrangements and pay for air medical transfer for You via private air ambulance. If You are not medically stable enough for transfer to Your Choice of Hospital, MedFlight Freedom will provide initial medical transfer to the closest appropriate (as determined by MedFlight Freedom) Choice of Hospital capable of providing immediate emergency medical care.

2) If You are able to travel by commercial airline with a medical escort:

MedFlight Freedom will make arrangements and pay for air medical transfer for You via commercial airline with a medical escort. MedFlight Freedom shall make the determination of the type of seat required and type and number of escorts needed.

3) If You are able to travel by commercial airline without a medical escort:

MedFlight Freedom will make arrangements and pay to transfer You via commercial air to Your Choice of Hospital. MedFlight Freedom shall make the determination of the type of seat required.

Note: Choice of Hospital: If Your Choice of Hospital is not the hospital located nearest to Your Permanent Primary Residence, MedFlight Freedom will transport You and Your Traveling Companion to the Choice of Hospital by means determined by the MedFlight Freedom Physician as long as the cost to transport You to Your Choice of Hospital does not exceed 50% of the cost to transport You to the hospital nearest Your Permanent Primary Residence.

Transportation to Your Permanent Primary Residence following Medical Evacuation to Choice of Hospital: Once You have reached maximum medical improvement and are released from the hospital, MedFlight Freedom will arrange and pay for You and Your Traveling Companion to return to Your Permanent Primary Residence by means of economy class tickets (or upgraded ticket if that's the manner in which You were originally scheduled to return to Your Permanent Primary Residence).

Transportation After Stabilization if You are NOT evacuated under Medical Evacuation to Choice of Hospital: If You are Traveling Away from Your Permanent Primary Residence and You are treated at a Hospital for an injury or a sudden and unexpected illness that requires immediate emergency medical treatment and hospitalization, without which there would be significant risk of death or serious impairment, We will transfer You to Your Permanent Primary Residence or to a Hospital near Your Permanent Primary Residence for continuing care, provided the attending physician and MedFlight Freedom's Medical Director have determined that Your condition has reached maximum medical improvement; and

- 1) You have NOT been evacuated under the "Medical Evacuation to Choice of Hospital" benefit as defined above; and
- 2) The treating physician and Our Medical Director have determined You are unable to operate Your RV/Vehicle and no one in Your traveling party is capable of operating the RV/Vehicle; or
- 3) The treating physician and Our Medical Director have determined your physical medical condition prevents You from traveling as a passenger in the RV/Vehicle; or
- 4) You are not traveling in a vehicle and the treating physician and Our Medical Director have determined your physical medical condition prevents You from continuing on your trip and You must

return to your Permanent Primary Residence or to a Hospital near your Permanent Primary Residence to recover from Your condition.

Services that MedFlight Freedom will provide You with include the following options:

- 1) Arrange and pay for a one-way economy airfare ticket (or upgraded ticket if that's the manner in which You were originally scheduled to return to Your Permanent Primary Residence) and medically necessary ground ambulance transportation to/from the airport to return You to your Permanent Primary Residence or to a Hospital near Your Permanent Primary Residence. If it is deemed medically necessary by MedFlight Freedom that You travel in an upgraded commercial seat, We will cover the cost of the upgraded commercial ticket. If it is deemed medically necessary by MedFlight Freedom for You to travel to Your Permanent Primary Residence with a nurse escort, We will coordinate and pay for this service as well; or,
- 2) If You are not medically stable enough to travel by any of the methods outlined in Number One (1) and require a higher level of medical transportation, We will pay up to the value of a Nurse Escort in upgraded seating.
- 3) If You are unable to operate Your RV/Vehicle and no one in Your traveling party is capable of operating Your RV/Vehicle and You have chosen to have a family member or friend return Your RV/Vehicle, You may choose to return to Your Permanent Primary Residence in your RV/Vehicle. You will be covered under the RV/Vehicle Return Benefit. Please see RV/Vehicle Return Benefit for a complete detail of what is covered.

Transportation to Join a Hospitalized Member: If You are alone and traveling away from Your Permanent Primary Residence and are, or will be, hospitalized for more than three (3) days, We will coordinate and pay for an economy roundtrip airfare for a person of Your choice to join You.

Return of Minor Children: If, while traveling away from Your Permanent Primary Residence, Your child(ren) or grandchild(ren) through the age of 18, or adult child(ren) or grandchild(ren) with mental or physical disabilities who are solely dependent on You for maintenance and support, are present but left unattended as a result of Your injury or illness, We will send them back to either Your or their own Permanent Primary Residence by coordinating and paying for one-way economy airfare (or upgraded airfare if that's the manner in which they were originally scheduled to travel). We will also arrange and pay for the services and transportation expenses of a qualified escort, if required.

Return of Deceased Remains: In the event of Your death while traveling away from Your Permanent Primary Residence, we will assist in obtaining the necessary clearances for the return of Your remains. We will coordinate and pay for the expenses of the preparation and transportation of Your deceased remains to Your Permanent Primary Residence.

Return of Traveling Companion: If you are traveling away from Your Permanent Primary Residence and MedFlight Freedom coordinates a Medical Evacuation to Choice of Hospital, Transportation After Stabilization or a Return of Deceased Remains, we will return one Traveling Companion to either Your or his/her Permanent Primary Residence by paying for a one-way economy class ticket (or upgraded ticket if that's the manner in which he/she was originally scheduled to return).

RV/Vehicle Return: We will return Your automobile, motorcycle, non-commercial truck or RV to your Permanent Primary Residence or place of rental within 90 days of the incident if: (1) We approved transporting You under either the Medical Evacuation to Choice of Hospital, Transportation After Stabilization, or Return of Deceased Remains benefit OR (2) You have not been transported under the services listed above but Your documented medical emergency prevents You from driving the RV/Vehicle AND (3) You notified Us within 30 days of the incident that You would need Your RV/Vehicle returned.

MedFlight Freedom will authorize this service only if no one in your traveling party is capable of driving the RV/Vehicle. The vehicle must be in good condition and capable of being safely driven on the highway in compliance with local laws. If the vehicle is an RV, we will also return an additional vehicle if it was hitched to your RV. You must pay any costs required to maintain the safe operation of the vehicle during

the return. The return must be approved and coordinated by MedFlight Freedom and must be performed by one of Our contracted service providers.

Alternatively, You may choose to have your vehicle returned by a friend or family member. In such instance, and provided the vehicle is returned directly and expediently to Your Permanent Primary Residence, We will provide reasonable transportation in the form of a one-way economy ticket for that person to either the location of the vehicle or to return to his/her Permanent Primary Residence after the RV/Vehicle has been returned, and We will reimburse You for gas and tolls during the return (with receipts submitted within 180 days from the date of service). In addition, We will provide up to \$100 per day for incidental expenses while driving (receipts must be submitted within 180 days from the date of service). Note that if You choose to have a friend or family member perform the RV/Vehicle Return, MedFlight Freedom will not pay more than it would have cost to have MedFlight Freedom arrange the RV/Vehicle Return. MedFlight Freedom will also not pay for any travel expenses inconsistent with the established services of contract and other common carriers providing RV/Vehicle Return Services.

Please note: In the event You qualify for RV/Vehicle Return by virtue of number 2 above, please see the following:

- If You choose to have a friend or family member return your RV/Vehicle, You can choose to ride to Your Permanent Primary Residence in Your RV/Vehicle if You are medically cleared to do so.
- If You choose to have a professional return your RV/Vehicle, You will not be able to travel as a passenger in Your RV/Vehicle for liability reasons. We will assist You with any transportation arrangements for You and a Traveling Companion. However, any costs associated with Your transportation and Your Traveling Companion's transportation are Your responsibility.
- If You qualify for an RV/Vehicle Return under this scenario, You do not qualify for paid transportation under Medical Evacuation to Choice of Hospital nor Transportation After Stabilization to Your Permanent Primary Residence.

You must inform MedFlight Freedom within 30 days of the incident that You need assistance returning Your RV/Vehicle. The actual RV/Vehicle return must take place within 90 days from the date of incident.
