

2016 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY

WELCOME TO THE 2016 FLIGHT TRAINING COLLEGE AVIATION DIRECTORY. This directory lists the colleges and universities in the United States that offer an associate's, bachelor's, or master's degree in an aviation field. We show which type of degree is offered, and in which discipline(s).

For a searchable database, check *Flight Training's* website (flighttraining.aopa.org/colleges). The database can be searched by state, and degree type.

Flight Training's College Aviation Directory is the largest, most comprehensive database available anywhere. But programs in the university environment are dynamic today. Please email flighttraining@aopa.org with any questions, comments, or updates.

—The Editors

AABI: Accredited by the Aviation Accreditation Board International (www.aabi.aero)
 UAA: Member of the University Aviation Association (www.uaa.aero)

Degree Types: A Associate / B Bachelor / M Master
 Degree Areas: Professional pilot / Air traffic control / Aircraft maintenance
 Airport management / Aviation business administration / Maintenance management
