News and Events at the Parlin Field Airport in Newport, New Hampshire

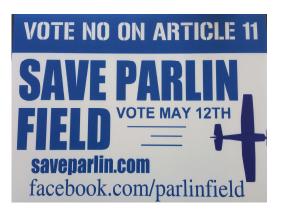

April 2015

The Message was Clear

Overwhelming support for Parlin Field was exhibited at the Town of Newport Deliberative Session held on April 7, 2015. About 88 people showed up at the session to make their voices heard regarding the warrant articles that will be voted on by secret ballot on May 12th. This year the airport was the hot topic of discussion.

Weeks prior to the April 7th Deliberative Session, several members of the community circulated a petition for a warrant article to sell Parlin Field. The petition was signed by 74 registered Newport voters and was entered as Article 11.

We began an extensive campaign to counter misinformation about the airport. We visited neighbors, distributed fact sheets, conducted radio and newspaper interviews, and met with community organizations.

The hard work paid off. After Article 11 was read during the deliberative session, supporter after supporter of Parlin Field stepped up to the microphone to make their voice heard. Each time a Parlin Field supporter stepped away from the podium, applause thundered through the auditorium.

The Article was discussed for nearly two and a half hours. It went through several amendments, including one that would lead to a lease of the airport. Thanks to

the actions of Mary Schissel, a North Newport resident, the warrant article was finally amended to read "explore the option to sell, lease, or retain..." rather than the much dreaded "sale" of the airport.

The support for Parlin Field demonstrated that night by Newporters was inspiring and heartfelt. We hope that will be reflected in the vote on May 12th. We would like to extend a special thank you to Collin and Tracey Murray and Andy Watson for purchasing the "Vote No On Article 11" yard signs pictured at left as well as setting up the Save Parlin website. The website can be found at: <u>http://www.saveparlin.com/</u>

As a "thank you" to our supporters, we have organized a Wings and Wheels event to benefit members of the community as discussed below.

BBQ chicken, hot rods, classic airplanes and low fuel prices - what a great way to kick off the 2015 flying season! Join us here at Parlin Field on Saturday, May 9th from 11am to 3pm for our Wings and Wheels event. Bring an item for the Newport Food Pantry and be entered into a raffle for a free iPad.

We'll be thanking the first 50 Newporter's that show up with a free Parlin Field t-shirt. For \$7 you can grab a ½ BBQ chicken and beverage and wander through the hot rods and classic cars on display from the Car Nutz car club. We'll have Parlin Field t-shirts for purchase at a great price of \$15 per shirt. All proceeds

will be split between Parlin Field and Newport Rotary.	What a great way to support your local library, art
