

Message from Governor Linda Lingle
presented to the

AIRCRAFT OWNERS AND PILOTS ASSOCIATION
JANUARY 12, 2006

On behalf of the people of Hawai'i, I welcome Hawai'i members of the Aircraft Owners and Pilots Association to their pilot town meeting this evening. Mahalo for inviting me to attend this important conference.

I look forward to hearing about your concerns and thoughts regarding general aviation in Hawai'i. I know Laurence Balter will certainly bring them to my staff and the Department of Transportation, Airport Division's attention.

I wish you a safe year of flying.

Aloha and mahalo,

Linda Lingle
Governor, State of Hawai'i
