## Turning off Web Browser Pop-up Blockers for IACRA

Mozilla Firefox
For the PC Only

A *Pop-up Blocker* stops or limits pop-ups on sites that you visit in your web browser. On the IACRA website, the CFI renewal submission form has **several pop ups that are required to be reviewed/checked** to complete the process.

To make sure you do not miss any important steps in the online form submission. Turn off your browser's pop-up blocker **before** you begin the online renewal form process in IACRA.

TO TURN POP-UP BLOCKERS OFF:

1. Open Mozilla Firefox browser.

2. **Click the 3 horizontal bars menu button**.

3. **Choose "Settings."** Note this opens a new browser tab.

4. **Select "Privacy & Security"** from the left navigation in the panel.

5. Scroll down pretty far to the "Permissions" section. **Uncheck the box next to "Block pop-up windows"** to disable the pop-up blocker.

6. **Visit IACRA.FAA.gov** and complete your submission.

7. Repeat steps 1-5, **after you have completed your IACRA process** to turn your Pop-up Blocker back on. Check the box to restore blocking all pop-ups.
