

WHAT IS A CAPSTONE?

BRAINSTORMING AND RANKING IDEAS

Name _____

Class _____

OBJECTIVE

Brainstorm and rank ideas for a possible capstone project.

ASSEMBLY AND PREPARATION

Follow your teacher's instructions to find a partner for this activity.

PROCEDURE

1. Record your research topic from Unit 4 last semester.
2. With your partner, brainstorm at least five ideas for possible capstone projects. Feel free to include your research topic from last semester if you are interested in researching it further. For now, the only restriction is that each idea must be relevant to aviation.
3. Individually, rank the ideas that you and your partner brainstormed in order from 1 (most interesting to you) to 5 (least interesting to you).

QUESTIONS

1. Look at the idea that you ranked first. Why are you most interested in this idea?
