

## **Rules**

### **2018 Flight Training Experience Survey and Awards**

The Flight Training Experience Survey and Awards were designed to promote and encourage the use of best practices in flight training as detailed in the ["The Flight Training Experience"](#) research conducted by AOPA in 2010. The survey and awards program are designed to identify and recognize the flight schools and instructors evaluated as "best" through the eyes of their customers.

In striving to reach our core goals, the following rules will be used to help ensure that we recognize only the most qualified flight schools and instructors.

#### **ELIGIBILITY**

TO BE ELIGIBLE TO COMPLETE A SURVEY OF FLIGHT TRAINING PROVIDERS, YOU MUST:

- A. Be an individual 14 years of age or older; and
- B. Have received flight instruction within the past 12 calendar months from that flight instructor or that flight school, as applicable.

ELIGIBILITY TO RECEIVE THESE AWARDS:

- A. Flying clubs are not eligible to receive an award;
- B. Flight schools and flight instructors must be in compliance with any applicable operating rules and minimum standards as established by their airport operator/proprietor; and
- C. Flight schools and flight instructors must be evaluated by at least five (5) individuals who received flight instruction within the past 12 calendar months from that flight school or that flight instructor, as appropriate.

LIMIT:

- A. Each individual may submit no more than one survey per flight school and one survey per flight instructor. In addition, no more than one survey per flight school and one survey per flight instructor will be accepted from a unique email address. If more than one survey for a given flight school and/or flight instructor is received from one individual or from one email address, only the first complete submission will be accepted.

MISC.: AOPA reserves the right to disqualify any survey, and/or flight school/instructor nominated by any survey, that appears in AOPA's sole discretion not to conform to the letter or spirit of these rules.
